## Vidya Bhawan Rural Institute

## Specific facilities provided for women in terms of:

a. Safety and security- CCTV cameras have been installed at key locations such as the main campus building, classrooms and common areas to provide security to both staff and students.

b. Counseling - Wellness team - for the counseling of girls and female staff. One permanent psychologist is appointed in this team so she can better counsel to students and teachers during stress period. Girls can easily share their problem with them. One permanent woman PTI is appointed in college so girls can easily share their problems to her during tournaments and on regular days.
