Fine Arts / Visual Arts	60 hrs.	XII pass-out students from any stream	500/-
Vermicomposting	60 hrs.	XII pass-out students from any stream	500/-

Note: These courses are open to students of all streams.

Yoga

Yoga is an ancient Indian practice that promotes harmony between body, mind, and spirit. It includes physical postures (asanas), breathing techniques (pranayama), and meditation, which help improve physical fitness, mental clarity, and emotional well-being. Regular practice of yoga enhances concentration, reduces stress, and supports a healthy lifestyle. At the institutional level, yoga activities encourage students to develop discipline, inner peace, and overall personality growth, contributing to their holistic development.

Career opportunities

Yoga trainer, instructor, yoga therapist, wellness and fitness coach, meditation expert, yoga consultant in schools, colleges and hospital, health and wellness counsellor, personal yoga coach, employment in Ayush and wellness centers.

Spoken English & Personality Development

The Spoken English & Personality Development Course is designed to enhance students' communication skills and overall personality. It focuses on developing fluency in spoken English, improving confidence, and nurturing interpersonal and professional skills required in today's competitive world.

The course adopts a practical and interactive approach, enabling learners to communicate effectively in real-life situations.

Career opportunities

Customer Service Executive, Receptionist, BPO Professional, Sales & Marketing Executive, Junior Content Writer, and Basic English Trainer. The course also improves interview skills and workplace communication.

Retail Management

Retail management is a sub division of general field of business management that deals with overseeing the distribution and selling of products directly to the customers, in specific vending points such as shops, chain, stores, markets and malls.

This course will impart practical learning (On the job training) to the students about retail sector and also prepares them to get ready for the rewarding career in the retail sector. The syllabus is designed in such a way that it will provide certain basic skills to manage any retail outlet. On successful completion of this course students will get lot of opportunities in the private retail sector like shopping malls and retail outlets.

Career opportunities

Retail Store Manager, Visual Merchandiser, Supply Chain Manager, E-Commerce operations manager

Website Development

This website development course teaches how to create, manage, and maintain websites and web applications. It covers all key phases of the Web Development Life Cycle (WDLC), including planning, design, development, testing, and deployment. The course includes both front-end (user interface design) and back-end (functionality and server-side) development. Learners can work as freelancers or in companies and may also handle website maintenance and updates. It provides essential skills and guidance to build a successful career in web development.

Career opportunities

Web development continues to be a strong and relevant career despite evolving tools like AI. While basic coding tasks are becoming automated, skilled developers are still in high demand for building complex applications, managing systems, and using modern technologies. Key career roles include: Front-End Developer – Designs user interfaces using HTML, CSS, JavaScript. Back-End Developer – Handles server-side logic and databases. Full-Stack Developer – Works on both front-end and backend. UX/UI Designer – Focuses on user experience and design. DevOps Engineer – Manages deployment and cloud infrastructure. Web Architect – Designs overall system structure.

Rural Extension and Management

At present, many non-governmental organizations are working to improve the standard of living of the people. These organizations are mostly trying to bring the people of rural areas into the mainstream. In such a situation, Vidya Bhawan Rural Institute has started a short term course in Rural extension and Management for students of all streams. The Rural Extension and Management course develops an ability in the students to work in non-government organization sector. The main objective of this course is to provide practical ability to the students to understand the rural life, their problems, the methodology of their diagnosis etc. After doing this course, the student can not only establish himself as a social worker, but this course also makes the students a responsible citizen.

Career opportunities

Rural Development Officer (RDO), NGO Project Coordinator, Field Officer (Microfinance), CSR Field Executive, Community Mobilizer

Fine Arts/ Visual Arts

Fine Arts develops creativity, artistic skills, and visual expression through drawing, painting, design, and traditional art forms. The course provides practical training in various art techniques, colour theory, and creative design, helping students build artistic and professional competencies.

Career Opportunities:

Art Teacher, Painter, Visual Artist, Illustrator, Graphic Designer, Creative Designer, Mural Artist, Art & Craft Trainer, Freelance Artist, and opportunities in educational, cultural, and creative sectors.

Vermicomposting

Vermicomposting is the process of converting organic waste into nutrient-rich compost with the help of earthworms. It is carried out to recycle biodegradable waste, improve soil fertility, and reduce environmental pollution. Farmers, gardeners, households, educational institutions, and organic farming practitioners widely use vermicomposting. It is also promoted by government departments, agricultural universities, and environmental organizations as a sustainable waste management practice. Vermicompost is rich in essential plant nutrients and beneficial microorganisms. It enhances soil structure, increases water-holding capacity, and supports healthy plant growth. Vermicomposting is a low-cost, eco-friendly technology that converts waste into valuable organic fertilizer. It plays an important role in sustainable agriculture and environmental conservation.

Career Opportunities:

Vermicomposting skills offer employment and self-employment opportunities in organic farming, agriculture, and waste management. Skilled individuals can start their own vermicompost production unit or work with farms, nurseries, NGOs, and government projects. They can also become trainers or consultants in sustainable agriculture and organic farming.
