सूचना (NOTICE)

Career Launchpad - Internship Program By The Chemical Center, Udaipur

करियर काउंसलिंग एवं प्लेसमेंट सेल द्वारा द केमिकल सेंटर, उदयपुर में विज्ञान एवं वाणिज्य संकाय के विद्यार्थियों के लिए 90 दिवसीय इंटरनशिप का अवसर उपलब्ध कराया जा रहा है।

इस इंटरनशिप के माध्यम से विद्यार्थियों को व्यावहारिक एवं उद्योग-आधारित अनुभव प्राप्त करने तथा अपने व्यावसायिक कौशल को विकसित करने का अवसर मिलेगा।

स्टाइपेंड: चयनित विद्यार्थियों को इंटरनशिप की शर्तों के अनुसार अधिकतम ₹6,000/- प्रति माह तक स्टाइपेंड दिया जा सकता है।

इच्छुक एवं पात्र विद्यार्थी निर्धारित समय पर इंटरव्यू में उपस्थित होकर इस अवसर का लाभ उठाएं।

The Career Counseling & Placement Cell is pleased to inform students about a 90-day internship opportunity with The Chemical Center, Udaipur for eligible Science and Commerce students.

The internship will provide students with practical, industry-oriented exposure and an opportunity to develop professional skills aligned with their academic background and areas of interest.

Stipend: Selected students may be provided a stipend of up to ₹6,000/- per month, as per the internship terms.

Interested and eligible students are advised to attend the interview on time and make the most of this opportunity.

THE CHEMICAL CENTER

SINCE 1977

Supplying Excellence in
Laboratory Chemicals &
Scientific Solutions

SCIENCE INTERNSHIP PROGRAM

LEARN TODAY. GROW TOMORROW.

Practical experience. Professional growth.
Brighter future.

ABOUT US

Established in 1977, The Chemical Center is a leading supplier of laboratory chemicals, scientific instruments, glassware, plasticware and research equipment to educational institutions, research labs and industries across India.

OUR MISSION

To provide students with practical industry exposure and develop skills through real-world understanding of scientific products and laboratory operations.

WHY JOIN OUR SCIENCE INTERNSHIP?

HANDS-ON LAB EXPERIENCE

Work on real lab
processes and
equipment.

LEARN & DEVELOP

Enhance your scientific
knowledge and
practical skills.

CAREER GROWTH

Boost your resume
and career
opportunities.

MENTORSHIP SUPPORT

Guidance from
experienced
professionals.

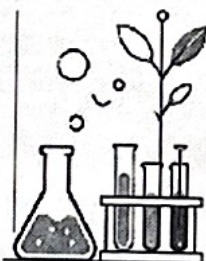

CERTIFICATE PROVIDED

Receive a certificate
upon successful
completion.

FOR SCIENCE STUDENTS

- ✓ Chemistry
- ✓ Zoology
- ✓ Botany
- ✓ Biology
- ✓ Environmental Science
- ✓ Biotechnology

INTERNSHIP HIGHLIGHTS

Exposure to laboratory products
and instruments

Understanding of lab operations
and quality standards

Industry insights & real-time
working environment

Skill development & professional
networking

ACTIVITY REPORT

CAREER LAUNCHPAD - INTERNSHIP PROGRAM

Organized By

Career Counseling & Placement Cell, Vidya Bhawan Rural Institute (VBRI), Udaipur

In Collaboration with

The Chemical Center, Udaipur

Date: 05 October 2026

Venue: Room No. &, VBRI campus

Target Group: Science (B.Sc./M.Sc.) and Commerce students

Total Number of Participants: 58 Students

1. INTRODUCTION

The Career Counseling & Placement Cell of Vidya Bhawan Rural Institute (VBRI), Udaipur, in collaboration with **The Chemical Center, Udaipur**, organised an orientation and selection programme for the **90-Day Internship Programme – “Career Launchpad”** for students of Science and Commerce streams.

The internship programme was designed to provide students with **practical, industry-oriented exposure**, professional skills and an understanding of workplace practices. The initiative was aligned with the objective of bridging the gap between **academic learning and industry requirements** and providing students with opportunities for experiential learning.

2. OBJECTIVES OF THE PROGRAMME

The major objectives of the programme were:

1. To provide students with practical exposure to the functioning of industries and corporate organisations.
2. To develop professional discipline, workplace ethics and corporate culture among students.
3. To enhance students' communication, analytical and problem-solving skills.
4. To familiarise students with industry-specific tools, documentation and Standard Operating Procedures (SOPs).
5. To provide experiential learning opportunities beyond the classroom.
6. To enhance employability and career readiness of students.
7. To provide students with an opportunity to understand real-world professional expectations.

3. INDUSTRY INTERACTION

Representatives from The Chemical Center, Udaipur (Sh Kritik Kothari, Sh Sujal Chauhan and Smt Deepasha Kumawat) interacted with the students and explained the internship structure, workplace requirements and industry-oriented training process. The industry partner had formally communicated its 90-day internship opportunity for Science and Commerce students, specifically highlighting practical, industry-oriented exposure and professional skill development.

4. MAJOR COMPONENTS OF THE PROGRAMME

A. Orientation and Presentation Session

The orientation session introduced students to the complete internship roadmap and expectations. Through a structured slide presentation, students were informed about the various stages of the internship and the activities expected from Science and Commerce students.

A key message delivered during the session was that successful internship learning requires students to be “mentally present”, actively participate in assigned tasks and continuously learn from workplace experiences.

B. Internship Roadmap for Science Students

Phase 1: Days 1–15 Basic Mathematics & Scientific Aptitude

Major areas:

- Profit and Loss
- Percentage
- Statistics
- Numerical Reasoning
- Scientific Aptitude

Phase 2: Days 16–30

Science Fundamentals, Industrial Standards & Documentation

Students will be introduced to:

- COA
- SDS/MSDS
- Product Information Files
- Industrial standards
- Documentation practices

Phase 3: Days 31–45

Factory & Laboratory Exposure

Practical exposure will include:

- Titration
- pH testing
- Moisture testing
- Sieve analysis
- Laboratory practices

Phase 4: Days 46–60

Technical Study & Laboratory Equipment

Students will gain exposure to:

- Glassware
- Plasticware
- Laboratory equipment
- Equipment-related reporting

Harin

C. Internship Roadmap for Commerce Students

Phase 1 & 2:

Basic Tools and Accounting

Students will receive practical exposure to:

- Excel
- Statistical Data Analysis
- Marg Software
- Entries
- Vouchers
- Ledger
- Profit & Loss Account
- Balance Sheet

Phase 3 & 4:

Finance, Budgeting & Cost Analysis

Major areas include:

- Fundamentals of Finance
- Budgeting
- Cost Sheet
- BOM (Bill of Materials)
- Gross Profit (GP) Sheet
- Product-level Data Analysis
- Customer-level Data Analysis
- SOP Guidelines

Phase 5:

GST, PF & ESIC Reconciliation and Filing

Students will be introduced to:

- GST Reconciliation
- PF Data Reconciliation
- ESIC Data Reconciliation
- Challan Documentation
- Legal Filing Procedures

5. APTITUDE TEST

Following the orientation and presentation session, an **Aptitude Test** was conducted for all **58 participating students**.

The test assessed various competencies, including:

- Logical Reasoning
- Analytical Ability
- Mathematical Skills
- Subject Knowledge
- Numerical Ability

The aptitude assessment was used as the first stage of the student selection process.

Outcome

Based on their performance in the aptitude test, **45 students were shortlisted for the next stage – Group Discussion (GD)**.

Participation Summary:

Particular	Number
Total students participated	58
Students appearing for Aptitude Test	58
Students shortlisted for Group Discussion	45

The shortlisted **45 students** participated in the Group Discussion round.

The GD was conducted to assess students' ability to communicate and work effectively in a professional environment.

The following competencies were assessed:

- Communication Skills
- Logical Thinking
- Analytical Ability
- Confidence
- Presentation of Ideas
- Ability to respond appropriately to others' viewpoints

The activity provided students with an opportunity to demonstrate their interpersonal and professional skills in an environment similar to an actual recruitment/selection process.

6. OUTCOME OF THE ACTIVITY

The programme witnessed participation of **58 students** from Science and Commerce streams.

The structured selection process comprising:

Orientation → Presentation → Aptitude Test → Shortlisting → Group Discussion → Internship

provided students with exposure to an industry-style recruitment and internship selection mechanism.

The shortlisting of **45 students from 58 participants** demonstrated active student participation in the selection process and provided a focused group for the subsequent stage.

7. CONCLUSION

The **Career Launchpad – 90-Day Internship Orientation and Selection Programme** provided students of Vidya Bhawan Rural Institute with a valuable opportunity to understand industry expectations and develop career-oriented competencies.

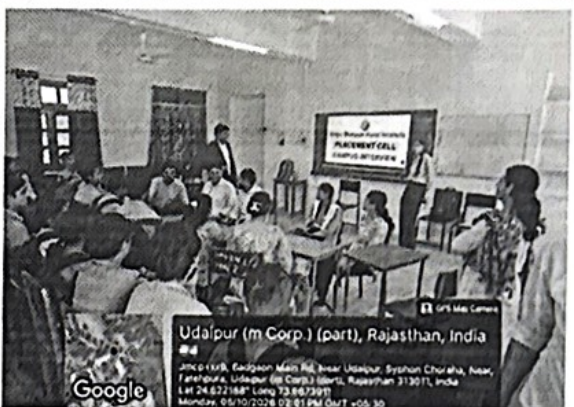

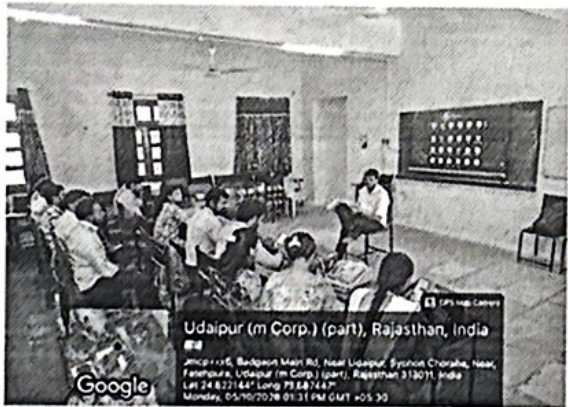

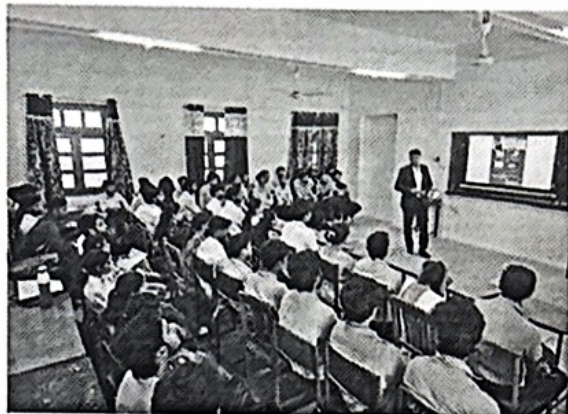

The participation of **58 students**, followed by aptitude-based shortlisting of **45 students for Group Discussion**, made the programme an effective platform for identifying and developing students with professional potential.

The initiative represents a meaningful step towards strengthening **industry-academia collaboration, experiential learning, employability enhancement and career readiness** among students.
